## **Solidarity Message**

Greetings of peace from the Center for Peace Education (CPE) and the Miriam College community in the Philippines!

We send our solidarity with your vision of peace that draws inspiration from Article 6 of the Japanese Constitution. We would also like to commend you for this initiative that seeks to raise the consciousness not only of the people in Japan but also of the rest of humanity, that violence and the tools of violence have to be renounced and that our common Earth home has to be protected and cared for.

We send you our best wishes for the success of all your efforts and know that we are one with you and ready to support you in your actions and programs.
